Edwin E. Blakes' EX-

PERIENCE.

CENTER HARBOR, N. H.

I have never regretted that I followed the

advice of a friend, Wadleigh's Remedy, Co.

and Wadleigh's Little Vegetable Pills. For years

I have been the victim of five rheumatic fits.

Causes of these fits were the use of physicians' medicine, and nothing seemed to strike my

cure as it ought. When I was about to give

up all hope, I have still had a

feeling that I could not walk round, my foot and leg

felt as if it were on fire. I then took one whole bottle

of this Remedy, and took one whole bottle

of the Little Vegetable Pills, and

heard them recommended so highly by those

who used them, that I determined to give it a second bottle.

Upon this, I began to

improve. I continued its use and can say that

now I am in full health again.

I have been the victim of

several rheumatic fits, and

nothing has ever been able to

relieve me but this Remedy.

I have paid a dollar a bottle,

and all others and I would pay ten dollars a bottle

rather than be deprived of this Remedy.
